Secretary to Govt., General & Rev. Department,
Bangalore.

Respected Sir,

We the undersigned officials and others that have purchased sites in the new Extension near the Shankara Mutt in Chamarajpet, beg humbly and respectfully to represent that the rules under which the sites were allotted require us to start work within 3 months of the date of grant and most of us have now collected the required materials and are ready to commence work. But our great impediment to proceed further is the want of water. To the representations already submitted on this subject, we learn that you have been kind enough to direct the Water Works authorities to lay out pipes in some central portion of the extension. As however, nothing has been done up to date, and as no work could be put on hand till water facilities are afforded to us, we make bold to approach you and humbly beg that orders may be issued to take the necessary action at a very early date.

Another matter on which we beg to solicit early orders is in regard to the payment of the site value in 24 instalments instead of in 6. We find it very difficult to maintain ourselve and lay out money on our houses in these hard days, with what little we get. We therefore beg that you will be graciously pleased to mercifully view our prayer and grant our request by ordering the recovery of the site value in 24 instalments.

We also beg that early orders may be issued sanctioning the grant of one year's pay as advances for building houses.

Yr

For which act of kindness we shall be highly grateful.

We beg to remain

Respected Sir,

Your most obedient and humble servants,

Bangalore,
